On June 20, 2011, at approximately 11:30 p.m., Ms. Randall was directed by a residential technician to come inside the facility, as it was past curfew. The RRC staff had difficulties gaining Ms. Randall's cooperation and became suspicious of her behavior. As such, Ms. Randall was asked to provide a breath sample which she refused to provide.

Shortly thereafter, Ms. Randall left Port of Hope property with an inmate by the name of Kevin Yazzie and did not return to the facility until 3:00 a.m. It was reported by the RRC staff that both individuals appeared intoxicated. When asked to comply with providing a breath sample, Ms. Randall once again refused. A few hours later, 9:25 a.m., Ms. Randall did cooperate and provided a breath sample that produced a BAC of .099. A second BAC was taken at 9:54 a.m. the results of which were .096.

- 2 **Special Condition # 14:** You shall reside in a residential reentry center (RRC) for a period of up to 180 days. You shall abide by the rules and requirements of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.

Supporting Evidence: Based on the facts surrounding violation No. 1 and 2, the defendant has been terminated from the Port of Hope Residential Reentry Center and will not be successfully completing their program, as directed by this Court on July 7, 2009.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
